

# A Guide to Aarohan

## FAQs for Aarohan

### What is Aarohan? Who all can participate?

Aarohan is a national level, unique, one of its kind IQ based exam conducted by students of BITS Pilani.

Any student of class IX-XII can participate.

### As an Ambassador, what is it that I can do?

As an ambassador, you get to pitch your school and other schools in your locality to get them on board for Aarohan. You pitch them using a pitch set provided to you consisting of the letterhead, sample paper and the brochure. You get to represent BITS Pilani in your school. During every step, you shall be guided by DExA.

### What is the procedure after the school is on board?

Once a school is on board, you may plan an orientation to make the students aware about Aarohan. The school may be given the flexibility to choose from two sets of dates for the exam (21-25th October or 17-18th November). Further, a registration sheet shall be sent to them for registrations.

NOTE: Any negotiations regarding cuts, fee waivers shall be handled by DExA. If any school insists on a cut, please forward the negotiations to us.

### What all does the school ask us? What could be the prospective answers?

The school could ask many questions before coming on board. The next few questions deal with the possible and prospective questions and answers to these questions. You may take help of this while pitching.

### "What would the students gain?"

The paper aims to inculcate scientific temperament and evoke the curiosity of a student. It requires no preparation- is completely IQ based.

Regional winners get loads of goodies among other benefits and the national winners get to visit BITS Pilani during APOGEE, with all event expenses taken care of.

### "What is all required from the school for conducting the exam?"

The school has to provide us with the basic infrastructure and invigilators for conducting the exam. Also, the list of students and the registration fees is required.

### "How has the response to the previous editions of Aarohan been?"

The response has been quite good in the past 3 editions, with participation from over 100 schools in 10+ cities. The exam has been conducted in Dubai and Germany.

### "What is the procedure of registration?"

Schools can register for this examination through the registration form. We do not accept individual registrations from students.
